## Sled Kite: Pattern & Directions

1. Cut Pattern following the lines on your paper. (Kite dimensions are given on the back of this sheet.)

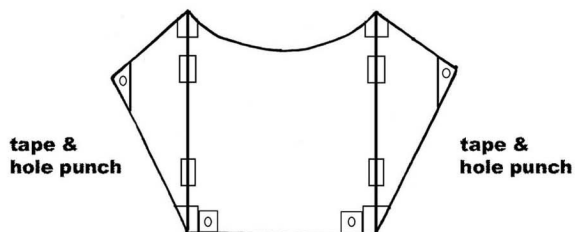

2. Attach dowels using clear tape as shown.

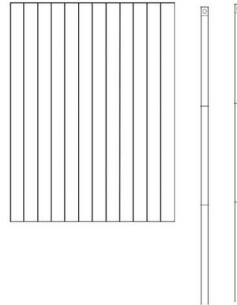

3. Write your message on the Kite. You can use quotes and images from the attached lists or you can make up your own. Decorate your kite with markers, feathers, etc.

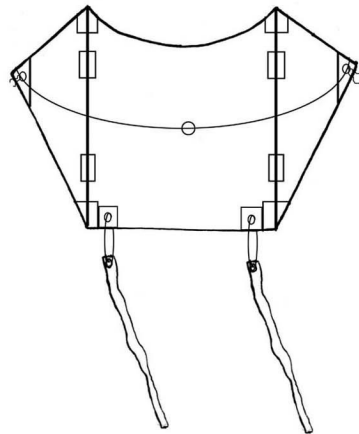

4. Reinforce corners using clear tape. Then hole punch the corners as shown.

5. Make two tails. Cut the lined piece of paper into strips. Attach the strips using clear tape. Reinforce the end of the tail with tape and hole punch. Repeat to make a second tail.

6. Attach bridle leg and tails. String plastic washer before attaching the bridle leg.

7. Attach kite line to bridle leg and your kite is ready to fly.
